RICK ARGUELLO

Rick Arguello is a legend in the annals of basketball in Las Animas County. Never in the history of the Fishers Peak League or the State of Colorado has anyone dominated the scoring scene such as Rick did. Starting in his freshman year when he scored 417 points and ending in his senior year when he scored a record 747 points, Rick scored a total of 2368 points for a four year career. Along the way Rick set many scoring records only to break them each year.

Rick wrapped up a successful career by being named All-Conference for the fourth time, All-State for the third consecutive year, and his greatest honor high school All-American. His numbers 10 and 11 have been retired at Primero. Rick has been chosen to play on the South team in the All-State game played in Pueblo, Colo. June 17, 1971. Rick, who scored a record 40.5 points per game, also carries a near perfect 3.9 grade average. He is the Valedictorian of his class and was Student Body president his senior year. During his senior year he was selected as the most Outstanding Student at Primero High School.
